**You are invited to come and celebrate 12 years of Portobello  
Community Choir with a free day of song.**

Singing will be led by Jane Lewis and Chandra Mather – Chandra and Jane set up the choir together in 2014. We will be revisiting some favourite songs and also learning a few new songs.

Lunch will be provided together with tea and coffee. Please bring some home baking to share.

Please book early to avoid disappointment! The event is open to all - anyone who has ever sung with us either at a regular session, a wassail or a workshop on the beach, anyone who would like to sing with us – and anyone else who loves to sing!

**We look forward to celebrating with you**
